NEW TREATY OF WASHINGTON SIGNED

BILLION DOLLAR LOAN TO AID GERMANY MEET REPARATIONS TO ALLIES MAY BE MADE SOON

Inter-Allied Commission Said to Have Reached an Accord With Its Governments Regarding Note--Loan Would Run For 50 Years and Would Pay Seven Per Cent

Paris, Dec. 13.—A one-billion-dollar loan, guaranteed by all German customs and paying seven per cent interest may be issued with the approval of the allies, to assist Germany with her indemnity payments, it was learned today from a reliable source.

The inter-allied reparations commission is said to have reached an accord with the allied governments regarding the note. The date of issuance was not revealed.

Under present plans the loan would run for fifty years. A limited number of the bonds would be offered to each former enemy power, each allied nation and a number of the wealthiest of the neutrals.

If the loan is fully subscribed, it would be considered equivalent to payment of German indemnity for two years. The money obtained from sale of the bonds would be distributed just as the German indemnity would be apportioned, during the two years following the sale.

The loan would be known as the "international seven percent."

About one eighth or one-tenth of the proceeds of the loan would be put to use immediately liquidating the German indemnity installments due January 15 and Feb. 15.

Berlin, Dec. 13.—Germany's hope of getting a long term credit from the British to assist in the payment of the indemnity installments due in January and February, collapsed today when Walter Rathenau reported to the cabinet that England is willing to advance only short term credits which are insufficient.

The entente powers have virtually served an ultimatum on Germany that unless Germany's internal finances are solidified and seizures are made for the payment of indemnity, the allies will take control.

Rathenau, former minister of reconstruction in the German cabinet, has just returned from London, where he conferred with Premier Lloyd George, Sir Robert Horne, British chancellor of the exchequer, and numerous British bankers.

It was learned from the most reliable sources today that Germany has not got the \$120,000,000 for the indemnity installment which must be paid on Jan. 15, although it is reported the Germans have

MAY DELAY ACTION AGAINST C. W. MORSE

Washington, Dec. 13.—Charles W. Morse, New York financier and ship builder, was today served with a warrant for his arrest charging him with embezzlement and conspiracy.

Morse went voluntarily to the office of U. S. Commissioner Isaac R. Hitt where he was served with the warrant. He then offered \$50,000 bonds for his release which was accepted.

Washington, Dec. 13.—Grand jury action against Charles W. Morse, New York financier and ship builder, in connection with an investigation of alleged war irregularities, may be delayed, it was stated by officials of the department of justice today.

MEXICANS RELEASE FISHING VESSEL

Washington, Dec. 13.—The American fishing vessel Mabel and her crew seized by Mexican authorities for alleged illegal fishing has been released and is proceeding to San Pedro, Cal., the state department was advised today.

The captain of the ship was fined 1,080 pesos for illegal fishing which was paid under protest.

EIGHT ARE BURNED TO DEATH, REPORT

Detroit, Dec. 13.—Eight persons are reported to have been burned to death this morning when a fire caused by a kerosene explosion swept a residence two and a half miles south of Woodward Avenue on the Ten Mile road.

According to first reports to the police eight members of a family of ten met death, the explosion trapping the father and seven children sleeping on the second floor. The mother, sleeping on the first floor managed to escape with her infant son.

Legion of Honor Medal For New York Girl War Worker.

Miss Anne McIntyre, of New York, according to dispatches from Beirut, Syria, has been awarded the cross of the Legion of Honor by the French Government, in recognition of her services under the Near East Relief in the war-wrecked city of Marash, Cilicia.

Voice of U. S. Shattered Soldiers Condemn Gas

Wounded Soldiers From Beds in Walter Reid Hospital Make Appeal for Abolition of Poison Gas In Warfare.

Washington, Dec. 13.—The voice of America's shattered manhood, back from the war with wounds, came from the beds of Walter Reid hospital today with an appeal for the abolition of poison gas warfare.

A score of shell torn veterans, some modestly hiding medals, bitterly condemned chemical warfare as too inhuman. All of them went through the "mists of death" on the fields of France. Some still coughed from gassed seared lungs.

One man, sans leg, sans arm, but still dead game, spoke for a dormitory of suffering Yanks.

"Gas is a thing from hell," he said with conviction. "It was born of a thirst to torture. These boys (with a sweep of his one good arm) went through it. They'll say 'cut out the gas.'"

With a roar, came back the answer from the invalids—"we'll say so."

Some of the veterans, wearied a little from three long years in hospital beds, were bitter toward all war.

"What does it matter what is used so long as there is war?" was their hopeless question.

"TERRIBLE TOMMY" O'CONNOR, ESCAPED MURDERER YET FREE

Search for Notorious Criminal Continues Unabated.

Chicago, Dec. 13.—"Terrible Tommy" O'Connor was still at large today and the hunt for Chicago's latest desperado was continuing with unabated vigor.

Detectives were rushed early today to Hartford, Wis., where a man answering to the general description of O'Connor was under surveillance by Charles F. Cook, chief of police of the Wisconsin city. The man had been pointed out to Hartford police by a Chicago traveling salesman. Two men were with him who are said to answer the descriptions of Edward Darrow and Frank Laporte who fled from the Cook county jail with O'Connor on Sunday.

The possibility that O'Connor might be in Milwaukee was seen in a postal card brought to Chief of Detectives Hughes by Edward A. Hanson of Milwaukee. The card, presumably from O'Connor, warned the head of the detective bureau that the first man "who comes near me will be shot."

Hanson said the card was given him in Milwaukee by five armed men in an automobile.

While the search for O'Connor went on in the streets of the middle west, legal authorities were to determine today the status of his death sentence. "Terrible Tommy" was to have been hanged Thursday, it is contended that if he is not captured by Thursday he cannot legally be hanged after that date. The state's attorney planned to ask the court to continue the sentence which it was claimed would make it possible for another date for his execution to be set if O'Connor is recaptured.

"BIG THREE" CALLED TO MEET TUESDAY

Washington, Dec. 13.—Another meeting of the "big three" has been called for 4 o'clock this afternoon, it was announced at British delegation headquarters this morning.

EXPECT CLIMAX IN IRISH FUSS TO COME SOON

Three-Cornered Fight in London, Ulster and Dublin Near End

PREMIER IS PREPARED Lloyd George Will Make Personal Appeal to House of Commons.

London, Dec. 13.—The three-cornered fight in London, Ulster and Dublin over the Irish peace treaty swung swiftly toward its climax today.

A meeting of the highest prelates of the Roman Catholic church in Ireland was held at Dublin, in view of Cardinal Logue's public defense of the peace settlement, it was expected a resolution would be adopted recommending its ratification by Dail Eireann.

Both Dail Eireann and the British parliament will assemble tomorrow for action on the treaty. Fiery bursts of oratory on both sides are expected.

Premier Lloyd George, who will make a personal appeal to the house of commons to approve the pact, has completed, what his friends believe will be, the greatest speech of his long and spectacular political career.

While Lloyd George is leading the fight for ratification in the British parliament Arthur Griffith will be making a similar appeal to Dail Eireann at Dublin.

While it is admitted that Eamonn DeValera, leader of the opposition in Dail Eireann has a large personal following, advice from Dublin said there was apparently no reason to change the original prediction that the treaty would be ratified by a safe majority.

Ulster will have no direct part in the fight tomorrow, except as the Ulster unionists in the British house of commons speak against ratification. The Ulster cabinet, headed by Sir James Craig has decided to allow the unionists in the British parliament to carry on Ulster's fight against the pact.

WATSON TO SHOW MORE DAMAGING LETTERS HE SAYS

Senator Says He Receives Missives by Score From Former Soldiers.

Washington, Dec. 13.—"I have presented to the committee more than 20 letters or affidavits charging the killing of American soldiers in France by their officers or at the command of these officers. When the committee meets again, I will have that many more to offer."

So declared Senator "Tom" Watson, Democrat, Georgia, today. He was referring to the senate investigation of his charges that soldiers were illegally executed in France.

"Every mail brings in letters by the score, making new charges, giving names, dates and places and signed by persons willing to testify," declared Senator Watson.

The committee has taken a recess until it can analyze documentary evidence already offered. After the evidence is classified, the list of witnesses who are to be summoned, will be made up.

When Watson literally slammed into the record Saturday more than 200 letters, many of them were "lost in the shuffle" for the time being. The report of the session, which was published today, revealed many cases not heretofore revealed outside the committee room.

Several letters make charges of indiscriminate killings in the U. S. army camps, as well as in France. In the maze of letters, mostly from men in the ranks, there crops up now and then one from a former army officer. One of this kind is from Captain A. D. Michaelson, Atlanta, Ga.

"I hanged a white American soldier who denied his guilt to the last," wrote Captain Michaelson. "I made a report of my views to Washington and am now waiting to go to Washington to give information to the department concerning the case."

M. Viviani will leave Washington late this afternoon for New York on the first leg of his journey homeward.

The French leader said he was greatly impressed—with the attitude of the president towards the work of the conference.

M. Sarraut will succeed Viviani as head of the French delegation.

World's Oldest Man Visits Gay Paree.

DiJuro Chendine, the world's oldest man, is having the time of his young life in Paris. He is a Turk and records prove him to be one hundred and forty-six years old. Chendine remembers seven Sultans of Turkey and the days of Napoleon I. Despite his years he is keenly alert and takes a great interest in events of the day.

"Stop Industrial Warfare", Urges Secretary of Labor

In Address Before Mass Meeting at Milwaukee, James J. Davis Declares That Time Has Come for Employer and Employee to Disarm.

Milwaukee, Wis., Dec. 13.—A plea to the workers of America to "stop the battles and the warfare in industry" was voiced here today by Secretary of Labor James J. Davis, in an address before a mass meeting.

"Disarmament is not a problem solely for a conference at Washington," Davis declared. "It is something that reaches to the very hearthstone in the home of every man and woman in

JAPAN COMES OUT OF THE CONFERENCE BIGGEST WINNER

Nation Has Three Countries at Her Back to Aid is Report.

Washington, Dec. 13.—In the four-power Pacific treaty and in her agreement with the United States relative to the Pacific island of Yap, Japan has secured far more out of the armament conference than anyone nation participating in it, according to Senators Robinson, Arkansas, Overman of North Carolina and other Democratic spokesmen who declared they see Versailles reflected in the present conference and the league of nations mirrored in its decisions.

"Japan gains by the four-power treaty far more than she loses by the abrogation of the Anglo-Japanese pact," Senator Overman said. "In the new agreement three powerful nations—the United States, Great Britain and France—join in recognizing her right to retain her insular possessions in the Pacific and in promising to join with her in resisting any aggression, armed or otherwise against any of her insular territory there."

"In the Anglo-Japanese pact, Japan had only one nation, at least a very powerful one, to back her up, instead of three," said Overman. "Surely Japan ought to feel somewhat elated over the greatly increased strength of her position as a world power which is furnished by the substitution of the new treaty for the old one."

FRENCH DELEGATE TO LEAVE FOR HOME

Washington, Dec. 13.—"I am most happy for France and for myself," said Rene Viviani, head of the French delegation to the armament conference, commenting on the work of the conference, after paying a farewell call to President Harding today.

M. Viviani will leave Washington late this afternoon for New York on the first leg of his journey homeward.

The French leader said he was greatly impressed—with the attitude of the president towards the work of the conference.

M. Sarraut will succeed Viviani as head of the French delegation.

LEGION SILENT ON GAS IN WARFARE

Washington, Dec. 13.—The American legion has no definite policy toward the use of poison gas in future warfare, it was stated here today by Hanford MacNider, national commander.

REPRESENTATIVES OF FOUR BIG POWERS OF PACIFIC FORMALLY SIGN AGREEMENT TO END WAR

Three Obstacles Remain in Pathway of Complete Agreement, Which Delegates Hope to Iron Out in Time to Be Out of Washington By First of Year.

Washington, Dec. 13.—The representatives of the four great powers of the Pacific today affixed their signatures to the new treaty of Washington, which is designed to end for ten years at least, the menace of war in the Pacific.

Washington, Dec. 13.— Another open session of the armament conference within a week, perhaps on Saturday, appeared probable today as a result of the rapid progress that has been made in the reconciliation of divergent views.

It is planned to clear up the naval question at the next plenary session and when this is accomplished there will be but little standing in the way of the conference being out of Washington by the holidays. So confident are the foreign visitors that there will be an early adjustment that nearly all of them have tentative sailing engagements for the last week in December or the first of January.

Three obstacles remain in the pathway of a complete naval agreement. 1—Japan's insistence that she be allowed to retain the Mutsu, her latest completed dreadnaught, doomed to the scrap heap by the original Hughes plan.

2—An agreement on the fortifications of the Pacific.

3—England's insistence that the submarine tonnage allotted each nation be cut in half and that the cruiser types of submarines be abolished entirely.

These matters were discussed by the big three—Hughes, Balfour and Kato—in a meeting last night and will be taken up again late today in another meeting.

Baron Kato informed Secretary Hughes, it was learned, that Japan is willing to take the sixty percent ratio, but that his government must retain the Mutsu, in which there is centered a great deal of national pride. He did not want to keep the Mutsu in addition to the 60 percent. It is understood but as a part of it offering to scrap sufficient other tonnage to compensate for her.

The answer of Secretary Hughes is not known, but the impression prevails that Japan will be allowed to keep the Mutsu and the United States will take compensation by retaining the Colorado, the Washington or other new units of the American fleet.

Great Britain may be allowed to complete one of her new super Hood's if this arrangement is gone through with.

Japan ardently desires to incorporate an agreement in the naval understanding providing for the dismantling of Pacific fortifications but in this she finds arrayed against her both the United States and Great Britain.

A British delegate even went so far last night as to assert that Great Britain would not negotiate the dismantling of the fortifications at Hong Kong and Singapore, particularly, and that if Japan and the United States wanted to discuss Pacific fortifications—all right but Britain was out of it.

This attitude on the part of Great Britain has thrown cold water on Japanese aspirations in this direction and today it was regarded as improbable that anything of drastic proportions would be attempted.

It is believed that the British insistence upon a modification of the submarine part of the Hughes plan likewise is doomed to get nowhere. American naval opinion is solidly against the British proposals, and this opposition is based upon by France, Italy, Holland and possibly Japan.

In British quarters today it was indicated that Great Britain if turned down here, will renew the suggestions that submarines be done away with at the next conference, to be held probably a year hence.

All of these questions, however, will be thrashed out to settlement by the sub-committee of 15, composed of the head of each of the five big delegations, each assisted by a naval adviser and a civilian.

The work of the conference proper slowed down today to allow the delegates to witness the formal signing of the new four powered Pacific treaty set for 11 a. m., at the state department.

JAPAN HOPES FOR FULL UNDERSTANDING

Tokio, Dec. 13.—The hope that the four-power agreement in the Pacific will result in a complete understanding between the United States and Japan was expressed by Viscount Takahashi, premier of Japan, in an exclusive statement to the International News Service, today. This was the premier's first public statement of views concerning the new treaty.

Count Uchida, foreign minister, likewise expressed satisfaction over the new entente in the Pacific.

The cabinet met today to discuss the four power treaty and the Yag agreement.

Most of the newspapers, in their initial comment, viewed the treaty in an unfriendly way.

FOUR BANDITS MAKE BIG HAUL

Greenville, Ill., Dec. 13.—Four bandits entered Panama, near here, today, robbed the Bank of Panama of between \$25,000 and \$30,000 held up seven men in a pool-room next to the bank, wounded an automobilist whom the bandits apparently assumed were pursuing them, and escaped.

BUILDING AND LOAN LEAGUE OF SECOND DISTRICT MEETS

John W. Prugh, of Columbus, State Superintendent of Building and Loan Institutions was among the speakers at the meeting of the Second District of Ohio Building Association League held in Dayton, Tuesday. This district comprises Preble, Montgomery, Greene, Butler, Warren and Clark counties. C. E. Arbogast and C. W. Whitmer of this city attended the meeting.

Other speakers who appeared were Herman F. Cellarius, Cincinnati, secretary of the United States League of Building Associations and James Devine, secretary of the Ohio Building Association League. The past year has been a prosperous one for building and loan institutions in the Second District, according to John E. Waitman, of Dayton, secretary of the district organization.

Building and Loan institutions in Clark County have increased their deposits \$1,465,339, or a net gain of 12 per cent during the last year. During the last 10 years these same institutions in that county have shown a gain of \$9,899,839 or 224 per cent, it was pointed out.

It was predicted by Secretary Waitman, that during the coming year, building and loan institutions would be able to take care of more home financing than ever before, if community pride could be aroused to the necessity of placing savings in the institutions.

Secretary Devine, of the Ohio Building Association League, stated that Congress in exempting building and loan institutions from income taxes, made a real Christmas gift to the people of the communities, who were depositors in the institutions.

COURT NEWS

SUES ON PROMISSORY NOTE

John P. Dodd is plaintiff in an action against Depew Head to collect a judgment in the sum of \$618.60 in common pleas court, alleged due on a promissory note, executed to J. W. ONE BOTTLE INCREASES YOUR NERVE FORCE

In many instances. Gives you more strength, vigor and endurance, too.

NUXATED IRON

contains the principal chemical constituent of active living nerve force in a form which most nearly resembles that in the brain and nerve cells of man. It also contains organic iron like the iron in your blood and like the iron in spinach, lentils and apples. Organic iron enriches the blood and plenty of rich red blood means more nerve force, so that Nuxated Iron not only feeds what might be formed artificial nerve force to the nerve cells, but it stimulates the blood to manufacture a greatly increased supply of new nerve force. If you are weak, nervous and run-down, get a bottle of Nuxated Iron today, and if within two weeks' time you do not feel that it has increased your nerve force and made you feel better and stronger in every way, your money will be refunded. Sold by all druggists.

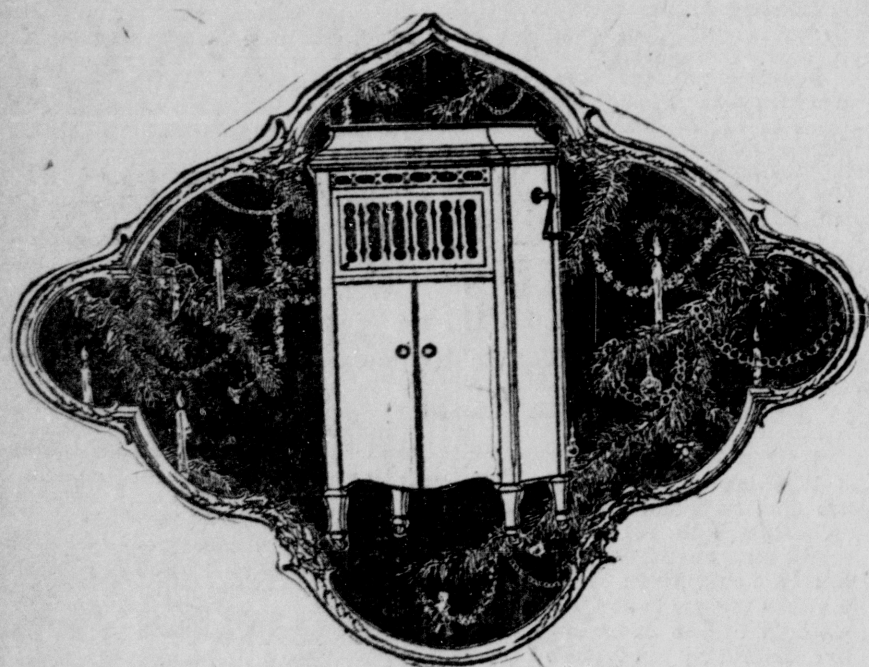

Don't Worry About Your Complexion Cuticura Will Take Care of It

If you make the Cuticura Trio your every-day toilet preparations you will have a clear, healthy skin, good hair, and soft white hands. Soap to cleanse, Ointment to heal, Talcum to powder and perfume.

Sample each free by mail. Address: "Cuticura Laboratories, Dept. 340, Malden 65, Mass." Sold everywhere. Soap 25c, Ointment 25c and 50c, Talcum 25c. Cuticura Soap shaves without mug.

Give the Family a Phonograph

No expenditure you could make will bring the same degree of pleasure and satisfaction on Christmas Day as a fine new Phonograph. This beautiful model shown in the cut for only \$80.

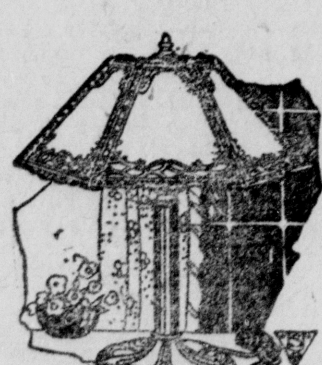

Credit terms if desired.

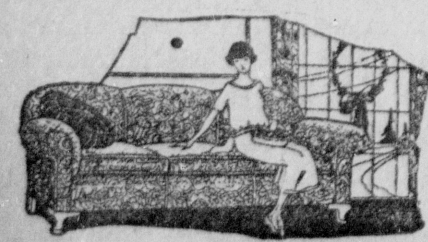

Doll Carriages for Little Mothers. A special purchase of these has enabled us to make very low prices.

Smokers Stands and Cabinets. We have a fine lot of them from \$2.00 up.

Gas and Electric Lamps from \$4.50 to \$20.00.

A fine Overstuffed Davenport with Pillow Arms. Special at \$85.00. On payments if desired.

Galloway & Cherry

36-38 W. Main St Xenia

John W. Hedges, who has been confined to his home on Chestnut street for the past two weeks, suffering from the grip, is improving.

Wanted, Poultry—Heavy hens and springers. If you live in the country it will pay you to call me before selling. 164 Cedarville, O. Call at my expense. Wm. Marshall. 12-14

Furs Wanted—I will pay more than any buyer in the county for muskrats, mink and coon. At blacksmith shop rear of Greene Co. Hardware Co., every Saturday. 12-14 Wm. Marshall.

Lawrence McPherson, little son of Mr. and Mrs. Russell McPherson, of West Market street, has been ill, suffering from an attack of bronchitis.

Miss Jane Carpenter, daughter of Mrs. Hill Carpenter, of the Port William and Jamestown pike, a mile west of Bowersville, passed away at the State Hospital at Dayton, Monday afternoon, death being caused by heart trouble. Funeral services will be held at the late home, Thursday afternoon at one o'clock. Burial will be made at Jamestown.

Dorothy Kingsbury, daughter of Mr. and Mrs. K. S. Kingsbury, who has been quite ill for some time is gradually improving.

Mrs. W. C. Hallisy, of North Galloway street, who has been suffering from a complication of diseases for several weeks, remains about the same.

John W. Ray of the Stevenson road, who has been ill for the past ten weeks, suffering from an attack of typhoid fever, is improved.

We have a few bags of quality potatoes at the right price. Supply yourself now. The Xenia Farmers Exchange Co. 12-14

Walker Williamson, who has been a patient of the Espey Hospital for several weeks, was removed to his home in the Moreland apartments, Tuesday.

Wanted—Girls, age 18 or over. Steady employment. Clean work. Positions open for day or night. The Springfield-Xenia Telephone Co., office over Orphium theater. 12-13

Frank Hupman, of West Main street, who has been ill for some time, suffering from paralysis, is reported in a serious condition.

GET IT AT DONGES.

Earl Dodds, of Milford, Massachusetts, spent the week end in this city with Mr. and Mrs. J. Charles Dodds, being called here on business.

Mr. and Mrs. Frank DeWitt, of Mr. and Mrs. Robert DeWitt, of Dayton, were guests Monday, of Mr. and Mrs. Thomas Faulkner, of Eleazar.

Mrs. Charles Lewis, of Eleazar, entertained the members of the New Hope Aid Society, at her home, last Thursday, at a dinner party. A covered dish supper was served at noon, and a business session was held in the afternoon.

Howard, the two year old son, of Mr. and Mrs. Floyd Weaver, of Eleazar, is improving from an attack of diphtheria.

GIVE TWO PLAYLETS MONDAY EVENING

Two playlets were presented Monday evening at Kelly Hall, Antioch College, by the Antioch Dramatic Club, the first offering of a division members of the Club.

The playlets were "The People," a sketch with a newspaper theme and "The Sun Dial." Both were ably presented before a large audience composed of many Yellow Springs people.

Following the dramatics, a dance was enjoyed in the hall, the music being furnished by the College Synchopators, a four-piece orchestra.

MAKE INSPECTION OF GREENE COUNTY SCHOOLS TUESDAY

Lieutenant Governor Clarence J. Brown, headed a party, Tuesday morning, that spent the day on an inspection of Greene County schools.

At the invitation of County Superintendent H. C. Aultman, it was expected that both Governor H. L. Davis and Vernon M. Reigel, state superintendent of public instruction, would also be present and two inspection tours were planned as a feature of Education Week.

Although the inspection trip could not be arranged during education work, the date was set for Tuesday, with assurance that the state superintendent and possibly Governor Davis would accompany Lieutenant Governor Brown. A telegram received by Mr. Aultman from Governor Davis Monday night, said the Governor is ill and would be unable to get here for the inspection trip.

The party headed by the Lieutenant Governor will return to this city late, Tuesday afternoon, and an open educational meeting will be held at the Opera House, Tuesday evening at which time Lieutenant Governor and State Superintendent Reigel, who will arrive Tuesday afternoon, will be the speakers. All people interested in better school are urged to be present. The Greene County High School Orchestra will begin the musical program at 7:45 and the doors will be open to the public at eight o'clock.

AUTO OCCUPANTS ESCAPE INJURY IN SMASHUPS MONDAY

No one was injured although two automobiles were damaged, when they collided on the Dayton pike, two miles from Xenia, about six o'clock Monday evening.

Harry G. Collins, of Dayton, was driver of the Ford car which collided with the Maxwell machine driven by a man named Ginn, from Wilberforce. The latter said Collins was driving too fast, while the Dayton man said he was blinded by the lights on Ginn's car.

Both machines turned over on their sides, the occupants being thrown out but without injury. The cars were badly damaged. The Ginn machine was hauled into the Gordon garage and the Ford was brought to the Swigart Bros. garage for repairs.

A Paige touring car, occupied by two men and two women from Dayton, struck the stone center pillar under the Pennsylvania railroad bridge on South Detroit street at 11 o'clock, Monday night, and was considerably damaged without injury to the occupants of the car.

The driver said the machine was in the car tracks and because of the slippery rails, he was unable to give it out until right upon the center pillar. The front axle, fender and radiator of the car were damaged. The machine was taken to Gordon's garage.

PLAY WEDNESDAY

The Brunson Bootery basketball team will play the Barons of Jamestown, in that place Wednesday night, it is announced.

So far the Bootery five has not lost a game out of three starts having defeated the Raltos of Dayton, and the Bearcats and Pirates of this city. Wednesday the team will lineup against the Barons with Woolery and Gordon at forwards, Schwab at center and Witham and Weakley at the guards and with Milburn and Heery in reserve.

HAMILTON TO GIVE LECTURE AT ANTIOCH

R. Hayes Hamilton, of this city, raconteur and travelogue lecturer, will present his hand-colored slides, and moving pictures, illustrating National Parks, and the old Spanish Missions in California, at Antioch College, Tuesday evening, upon the invitation of Dean Nash, of the college.

Mr. Hamilton will stop enroute to California, for the engagement, coming direct from Detroit, Michigan, where he has presented his lectures during the past week.

APPEAR WEDNESDAY

Ethel Waters, famous colored entertainer, and her troupe of all-colored thespians, will appear at the opera house here, Wednesday night.

Miss Waters is billed as the greatest colored stage star on the road today and it is said that she has gathered a talented array of stage stars around her in her musical production to be staged here.

The company plays at Memorial Hall in Dayton this week and will appear here only one night. Local management is in charge of bringing the troupe here and tickets are on sale at Robb's grocery on East Main street.

Give Brunswick Records This Christmas

The problem of your Christmas list is solved if you give records. And if they are Brunswick, they will afford double pleasure.

There is a varied selection to meet every taste—including the artists of today and the dance music of the moment.

Packed in attractive Christmas envelopes, any of these will make charming and acceptable holiday gifts:

- 10046—Silent Night (Gruben) Soprano Florence Easton and Male Trio
- 2148—Hark! The Herald Angels Sing All Souls' Choir
- It Came Upon the Midnight Clear Cathedral Choir
- 2149—While Shepherds Watched... All Souls' Choir
- Angels from the Realms of Glory Cathedral Choir
- 10045—Holy Night (Adam) Tenor Mario Chamlee and Chorus
- 30011—Ave Maria (Soprano and Violin) in Latin Florence Easton and Max Rosen
- 5032—Night Before Christmas (Recitation) Ernest Hare
- "De Sandman" (Protheroe-Griffin) Criterion Male Quartet
- 5001—Wayside Cross (Palmer) Criterion Male Quartet
- Church in the Wildwood (Pitts) Criterion Male Quartet
- 13002—Christ in Flanders (Stephens) Tenor Theo. Karle
- The Lord Is My Light (Allitsen) Tenor Theo. Karle
- 5033—Adeste Fideles (Oh, Come All Ye Faithful) (Portugal) Collegiate Choir
- Joy to the World (Handel) Collegiate Choir
- 5053—Still, Still With Thee (Garrish) Criterion Male Quartet
- Son of God Goes Forth to War (Cutler) Criterion Male Quartet
- 5017—Abide With Me (Monk) Soprano and Contralto... Marie Tiffany and Elizabeth Lennox
- Almost Persuaded (Bliss) Soprano and Contralto... Marie Tiffany and Elizabeth Lennox
- 5022—Angel's Serenade (Braga) Soprano Marie Tiffany
- Cradle Song (Brahms) Soprano Marie Tiffany

BEYOND OUR HOPES.

On Wednesday President Harding took the world into his confidence in his address to the officers of the American Red Cross. It may be that something of the strain, distress and agony that the Red Cross has seen in the wars of the last half century came into his mind as he faced these workers of mercy. Feeling what he felt and knowing what he knew, he could not forbear.

The man who called the Conference feels that much of the familiar work of the Red Cross, the work that called it into being after the Battle of Solferino, is over and done. The victims of famine, fire, flood and earthquake will be with us; but something has come into the life of humanity that will lessen the Red Cross work in battle and the dreary aftermath of battle.

Facing these people before whom the misery of the world is charted, the President was moved to tell them of his happiness that the hour is at hand when "we shall have done something tangible to prevent calling upon you again for war service." Mark also the unwavering words:

And I like to say it to you, because I know whereof I speak. We are going to succeed beyond our fondest hopes. It is getting to be pleasing to be able to say that things never done before we can do now.

Does the President know what he is promising? Is he aware of all that his words mean? He should know. He called the Conference into being. That Conference is now inking in the plans for a partially disarmed world and a world pledged to peace. No national head is so closely in touch with it as he. It is doubtful if there is another human being who knows so much of the sweep and power of sentiment for making an end to war.

There was something more in the presidential mind than his belief in the massed sentiment of a war-sick earth. In the back of his brain there were pictures of what has been done in the plenary sessions and the council rooms. He stands where he can see the drift, despite the cross currents and the fogs. There were sharp, clear, definite and rounded facts on which to base his optimism and assurance.

The President's forecast of more than hoped-for success will blow away the clouds of poisoned doubt, so carefully manufactured. Faint-hearted folk will be heartened by the ring of his words. It may be even that they will scatter some of the majestic gloom of those Sons of Sorrow and Daughters of Despair who persist in measuring the Conference for its grave clothes.—Public Ledger.

CALLS "IRISH FREE STATE" AN INSULT.

A discordant note was injected into the widespread rejoicing of Irish patriots in Philadelphia when John J. Flood, a national executive of the Friends of Irish Freedom, objected to the peace agreement of the British and Irish Governments. Mr. Flood's statement reads:

"With Irish coastal fortifications under British control, with power in the hands of the English Government to appoint a Governor-General for Ireland, with the Irish Government restricted in a dozen different ways by England, the use of the term 'Irish Free State' is an insult to the dead who died fighting for an independent Irish republic.

"What citizen of this country would consider this an American free State if the forts guarding the harbors of Portland, Boston, New York, Philadelphia, Chesapeake Bay, Norfolk and San Francisco were today in the hands of the British Admiralty? If instead of electing our own President, responsible to the American people, England had the power of appointing a Governor over us? If our relations with foreign countries were so hamstrung that we could not even erect a wireless station for communication with the outside world? If American legislators had to swear allegiance to King George? Free State, indeed!

"Within the last few years the people of the whole of Ireland voted by majorities ranging from 73 per cent to 85 per cent for an Irish Republic and duly set up their Republican Government. There is no man nor combination of men in Ireland today who can wipe out the republic, established by the people of Ireland after 750 years of fight, and those who stand by it there have the continued support of those in America who know what real national freedom means."

ANSWERED LETTERS

Discouraged—A double chin usually happens when the person has grown too stout all over, in which case a general reduction will eliminate it. You may also help it by massaging the chin. This is done with the palm of the hand, with a motion somewhat like ironing off the fat by making deep strokes from the lower part of the throat, stroking the flesh from the point upward and outward to the end of the chin. As the fat is consumed, harden the skin by using an astringent over all the face and throat two or three times each week.

Russell—In walking with ladies a gentleman always takes the side toward the street, or road as the case may be. In entering any public place, she precedes him. It is a matter of preference whether you say "excuse me" or "pardon me."

Ruth—Bleach the skin on your throat by using either lemon juice or buttermilk.

Blue Bells—If your hair is not naturally curly, it will always be affected by dampness unless you have a permanent wave.

Thirty—Those brown spots on your face come from a sluggish liver and imperfect elimination. You can bleach them but they will return unless you correct the cause for them.

M. C.—Any stain or dye that you use on the lashes will have to be renewed as the new hair grows out from the roots. It is a delicate piece of work which should be done at first by a beauty specialist, after which it is a matter of keeping it up by

touching the roots of the hair with the coloring, using the point of a fine sable brush. An extract from walnut juice makes a harmless stain for this purpose.

Henna—To color the grey hair you should let the henna and soap lather remain on the head about 20 minutes and proceed as you would do with any other method of shampooing. If you need other information about it, send a stamped addressed envelope and I will be glad to mail it to you.

Patty—A girl of 15 years five feet tall should weigh about 110 pounds.

W. B. R.—The henna you are using is a trade preparation which has a dye added to it. If you do not attain an even shade after following the directions given, write to the manufacturers who put it up. They probably will be glad to help you.

Judy J.—Wearing the hair in curls for 20 hours out of the 24 is an injustice to the people who must come in contact with you during all those hours of the day. You owe it to them if not to yourself to look neat. If this is the only way you can have your hair curl for the few hours that remain, it would be much better to give a good impression of yourself all of your waking hours by adopting another style of dressing the hair, not requiring this untidy habit. Tightly curled hair is never as artistic as that which is just loosely waved, as you will probably find a more becoming way of wearing it.

Tomorrow—Keeping the Profile Young.

"AND EVERYWHERE THAT MARY WENT THE LAMB WAS SURE TO GO"

1901--Twenty Years Ago--1921

Mr. Ernest Schmidt attended a banquet at the Algonquin Hotel in Dayton last night given by his college friend, Mr. Walter Bauman.

Mr. Donges, the druggist, will occupy one of the new store rooms in case the building at the corner of Detroit and Second is remodeled and in all probability it will be if the Government will lease it for the post-office.

Mrs. William Kelbie, of West Second Street, has returned to her home after a visit of several weeks spent with friends

in Bellefontaine.

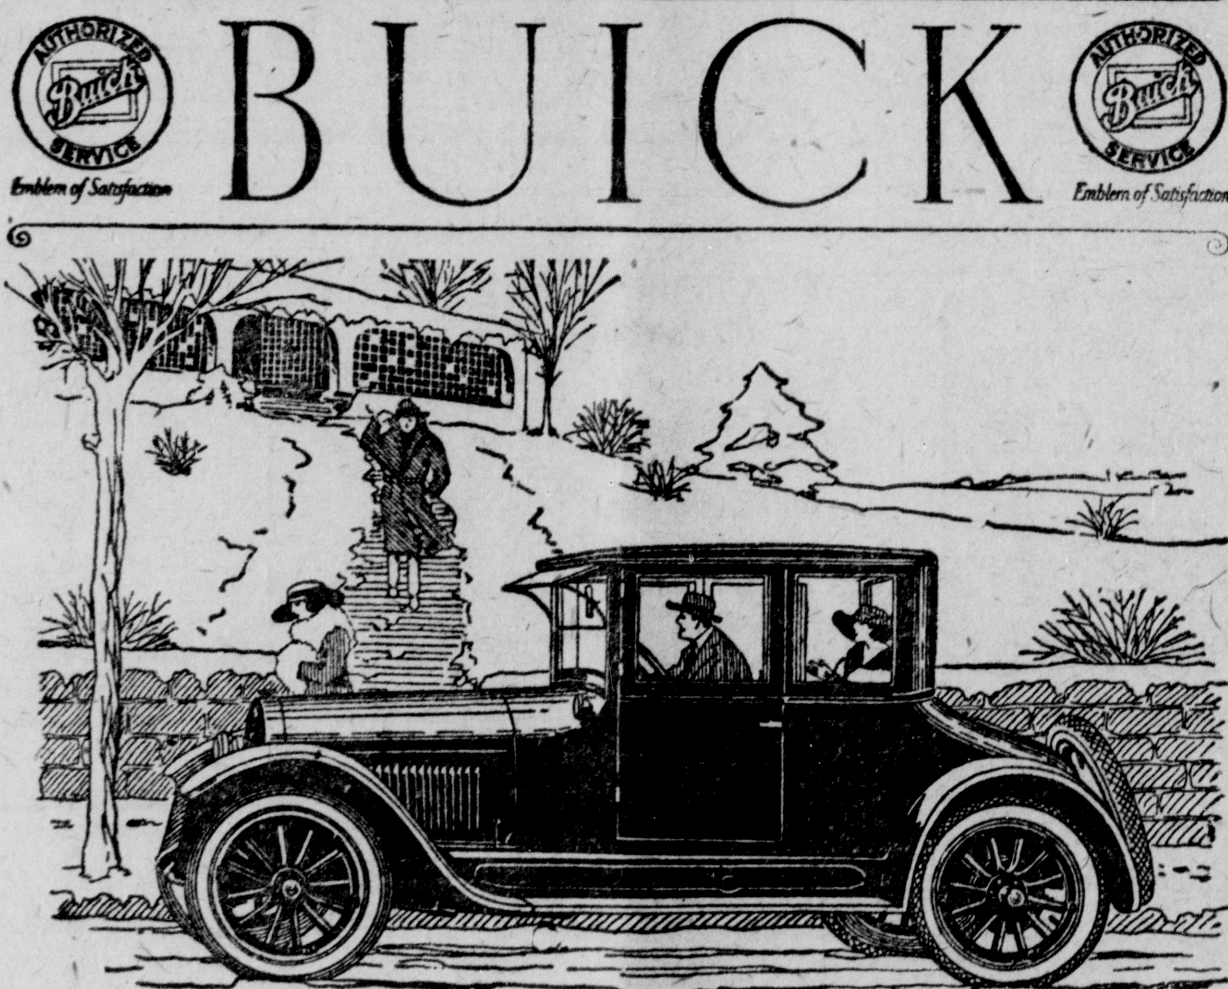

Mr. P. H. Flynn has come forward with the announcement that he is ready to make a substantial improvement in the way of a handsome business block for Xenia, at the corner of Second and Detroit Streets.

Easy to Set Stomach Right

If your stomach is out of order or distressed, no matter from what cause, M-I-O-Na stomach tablets will give instant relief in case of indigestion, acute or chronic, or money back. Guaranteed by Sayre & Hemphill.

SAYS KU KLUX KLAN CAUSED ATTACK

New York, Dec. 13.—After a severe beating, which he attributed four members of the Ku Klux Klan who seized him near Allendale, N. J., G. A. Rau, captain of infantry in the world war was back at his home today at the Delta Phi Club. Rau resigned from the Klan last Thursday after attacking imperial Kleeagle Clarke, at a Brooklyn meeting. Rau said his assailants overtook him in an automobile and that, when he regained consciousness he was dangling from a tree limb, his feet barely touching the ground. His wrists, he said, had been tied over the limb.

SUPERFLUOUS WAR.

Abolish war! It's useless stuff, designed by monarchs rattled; our cars can kill us fast enough—we don't need hosts embattled. War's such an old and outworn means of death it makes us snicker; our touring cars and limousines can do the job much quicker. War kills its legions while it lasts, but when it is suspended, with all its smoke and deadly blasts, the butchery is ended. The veterans forge their scars, and turn to sane endeavor; but when we come to motor cars, the flood flows on forever. If populations are too thick, the figures growing taller, there always is the speeding hick to make the census smaller. The roadster and the limousine are killing people daily; we pile the bodies on the green, and cry our "Willow-wally!" The touring car and large sedan around the town are racing, and every hour another man is ruined by a casing. The smiling maid, the gaffer gray, upon the highways hilly are run down by the brisk coupe that knocks the speed laws silly. Abolish Mars! And on his brow let all his cheap wreaths wither, for we have deadly engines now that knock him yon and thither.

Today's Talk

by George Matthew Adams

The Unknowns
How worthily the world has been dropping its tears about the sleeping spirits of the Unknown Soldiers!

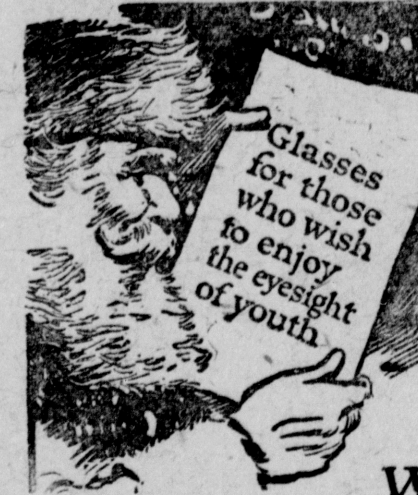

I can imagine every one of those tears as cleansing a little larger space for beautiful service among those who live, that the service rendered by those who have gone might be just that much more immortal.

It is peculiarly true, however, that we daily think and learn and work in the midst of an army of unknown whose acts and deeds thrill us all.

Recently there appeared in the public press a most unusual and touching tribute to the Unknown Soldier and the ceremonies connected with his burial at Arlington. It took the form of a series of articles published under the identifying line of "The Associated Press" only. But so impressive were the thoughts expressed that the author was sought out. He proved to be Kirke L. Simpson, one of the vast number of writers for this great news association, who for many years has been a member of the Washington staff.

So beautifully did this writer express himself that one at a distance felt the same fine restraint of poignant sorrow—howling and standing as another in that silent throng.

The unseen current of service that moves with such rhythmic power through the ways and means of man existence, is a thing more divine than all the showy evidence of glory or glory.

DEFEAT OF STEELE HIGH NOT SURPRISE TO LOCAL PEOPLE

Local football fans and followers of the grid game showed little surprise at the announcement Saturday that Steele eleven of Dayton had been defeated by Duval high at Jacksonville, Fla., Saturday afternoon 21-0.

Despite the record of victories attained by Coach Bevan's team during the season just closed, it was the belief of many of those who follow the grid game closely that the Steele eleven is a home lot team and separated from the Athletic Park and the usual officials, that the record of the team would not have been so bright.

Local analysts of the game have expressed themselves as believing that Waite high of Toledo, would have been a more representative Ohio team to meet Duval and that the Toledo combination is a better one than Steele boasts of despite its defeat at the hands of Steele earlier in the season. This is in direct contradiction to the opinion of Coach Bevan who in personal accounts of the game, proclaims it to be a better eleven than Duval in the face of the 21-0 score. Indications are that local football bugs will beg to differ with the Steele mentor on this statement, from the sentiment they have shown since the result was announced.

The biggest post-season football upset came in Dayton Sunday when the West Side Merchants won the city championship title by defeating the Dayton Eagles, 6-0, after Simmons had intercepted a forward pass on his own five yard line and ran 95 yards for a score. The American Legion team of this city, defeated the Merchants handily but were only able to hold the Eagles to a scoreless tie.

The Dayton Mascottes also surprised their followers by holding the Middletown Miamis to a 14-0 victory, at Middletown.

TO STOP COUGHING AT NIGHT

When anyone is suffering from a bronchial affliction or has a cough that lingers on and grows worse at night, the loss of sleep tends to weaken the sufferer and grows more serious the longer it is neglected. Mrs. M. Suter, 647 Longbrook Ave., Stratford, Conn., writes: "Foley's Honey and Tar has given me great relief from a severe attack of bronchitis." No medicine stands higher throughout the nation as a family remedy for colds, coughs and croup. Sayre & Hemphill.

We want high type men to sell stocks and bonds

WE have openings for a number of security salesmen of high calibre to handle a high grade investment proposition—the stock of a well established, going concern enjoying a profitable business.

A knowledge of the investment business will be helpful but not necessary. This is a splendid opportunity for the right man.

Apply by letter only.

INTERESTING WEDDING ANNOUNCEMENT BEING MADE

The following announcement is being received with interest, by friends and relatives:

"Mrs. Anna Stewart Morton announces the marriage of her daughter Grace to

Mr. Aaron Gaskin Warren Saturday, the tenth of December nineteen hundred and twenty-one Detroit, Michigan"

Mrs. Warren is well known in this city, being formerly employed as instructor in Central High School. She is now teaching at Caesar Creek High School, and is planning to retain her position for the present. Mr. Warren is connected with an automobile concern, and has been located at Circleville, Wilmington, and Washington C. H., recently.

SEARCHLIGHT CLUB TO MEET TUESDAY

Mrs. Anna Noble Garver, will be hostess to the members of the Searchlight Club of the O. S. and S. O. Home, at the regular club meeting Tuesday afternoon.

Prof. Frederick Van Loon, of the faculty of Antioch College, addressed the members of the College Library, and the Yellow Springs Library, at the College, Monday afternoon. The subject of Professor Van Loon's lecture was "Literature."

Mrs. J. M. Fawcett, Mrs. William Hawkins, Mrs. C. C. Stevenson, and Mrs. S. D. Fess, of Yellow Springs, were among the guests at the "bridge" given by Mrs. S. S. King, at her home at Forrer Road, and Park Avenue, Dayton, Monday afternoon.

Mrs. Jerry L. Katherman of the Springfield pike, went to Columbus Monday morning where she will spend several days with relatives.

Mr. and Mrs. Jerry L. Katherman of the Springfield pike, had as their guests Sunday, R. E. Reed, of Columbus, who spent the day at the Katherman home.

Mrs. George C. Wallace of East Second Street, returned home Sunday, after a visit of ten days with her daughter, and son in law, Mr. and Mrs. Harold Corsette.

Mrs. George W. Kaiser, is a patient at the Espey Hospital suffering from an attack of pneumonia. She is now improving.

Mrs. Henrietta Logan underwent an operation for appendicitis at the McClellan Hospital, Monday morning. She is recovering nicely.

Mr. and Mrs. Clayton Swartz spent Sunday in Troy, with Mr. Swartz' mother, Mrs. Rosa Tharp.

MISCELLANEOUS SHOWER GIVEN MONDAY EVENING

Mrs. Willard Taylor was honored with another prettily arranged affair Monday evening, when Mrs. Raymond McElfresh, entertained at her home on Hill Street, at a miscellaneous shower.

Mrs. McElfresh was assisted in receiving and entertaining her guests by Mrs. Fred Turner and Miss Dorothy Clark. About thirty guests were received during the evening.

A color scheme of red and white was carried out throughout the Mc-

Elfresh home. Fragrant bouquets of piece of each of the other smaller sweet peas in the two colors were used in the different rooms.

The gifts of the evening were presented to Mrs. Taylor in a large basket decorated in red, and borne by two little girls, the young Misses Dorothy, Norekauer and Juanita Buck, who were dressed in white frocks, with red sashes. Little Miss Gwendolyn McElfresh who ushered the gift bearers into the presence of the guests was dressed in a similar fashion. Mrs. Taylor received many lovely gifts in cut glass, silver and linen.

After a peasant social time, with games and contests, the guests were served a two course lunch. A "bride's" table was laid in the center of the dining room, very attractive with a centerpiece of red and white sweet peas, and red candles in crystal holders at each cover. Red candles were used as the center-

HOW RICHES COME BY INDUSTRY

1—The hard worker is ever among us. The farmer, the dairyman, the builder, the industrious worker in every calling will achieve results. The money he makes should also be made to work. This can be done and 5 per cent interest can be obtained by leaving it with

Jobe Brothers Company

CONTORTIONIST IS SEEN BY SCHOOL CHILDREN MONDAY

"Scotty" Griffith, known as "Scotty the Sailor," suffering from shell shock and leakage of the heart, but a contortionist and "rubber man" of considerable prowess, gave several entertainments here, Monday.

"Scotty" was a U. S. sailor, and was with a ship planting mines in the north sea when an imperfect electrical device on a mine caused a premature explosion, blowing off one end of the ship. Sailors on the ship suffered shell shock, and some were mentally injured while "Scotty" suffered injuries that brought on leakage of the heart.

Monday afternoon he gave an exhibition of his ability to shorten or lengthen himself, stretch one leg longer than the other and stretch his hands out 14 inches with other similar feats, at the two high schools, and Monday night he gave his exhibition at the meeting and smoker of Foody Post, American Legion. He took up collections to defray expenses.

TO PLAY SECOND GAME OF SEASON

Antioch College basketball team will play its second game of the season with Kenyon at Yellow Springs Wednesday night.

In the initial encounter of Coach Prugh's five the team defeated Willis Business College of Springfield 28-19. Saturday, Coach Prugh will take his charges to Granville to meet the Denison University cage outfit, and December 21, the team plays Coach Harper's five at Wilmington.

HAD KIDNEY TROUBLE TEN YEARS

Don't give up hope if you are suffering from backache, rheumatic pains, stiff, swollen joints, always tired feeling, pains in groin and muscles or other symptoms of kidney trouble. J. T. Osborn, R. F. D. No. 1, Lucasville, O., writes: "I had kidney trouble for 10 years. I tried all kinds of kidney remedies but they did me no good. I took one bottle of Foley Kidney Pills and they helped me so much I am well now." Sayre & Hemphill.

COAL MINER RETURNED TO STEADY WORK AGAIN

No More Layoffs for Otto Deitman—Nerv-Worth Restored Health.

"Some days I could not work all day because of the misery I was in from gas on my stomach and belching, and I couldn't eat anything at all. Sleep at night was unknown to me. I have taken a bottle of Nerv-Worth and now I am able to work steady, and I can certainly recommend Nerv-Worth for Nerv-Worth is not \$1.00 per bottle sold and recommended by Sayre & Hemphill.

DR. CAREY'S MEDIC YEEST TABLETS SURPASS ALL BEAUTY SECRETS

Eruptions of the Skin and Body Vanish—Build Firm Lasting, Staythere Flesh and Tissue—Strengthen the Nervous System and Increase Vitality and Energy.

Do you want to rapidly improve your complexion; add some good solid tissue and flesh to your bones, increase your energy, vitality and endurance so that you will feel and look one hundred percent better? If so, simply start taking after each meal, two of DR. CAREY'S MEDIC-YEEST TABLETS made from dried yeast and other essential but perfectly harmless ingredients containing the three absolutely necessary to life Vitamins. (Water soluble B and C and Fat Soluble A) and in which DR. CAREY'S TABLETS are supremely rich.

These tablets now being used by thousands are highly concentrated. They will not upset the most delicate stomach or cause gas, but will aid in digestion, end constipation and act as a general tonic to the system and blood making you full of lasting vigor, zest and endurance.

Pimples and body skin eruptions leave you forever under their purifying influence. Your complexion will astonish you with its clearness and your cheeks will become rosy and beautiful instead of pale and wan, the eyes sparkling and bright like that of young boys.

So quick and astonishing are the results that success is positively guaranteed by Dr. Carey or the trial costs you nothing.

Write down the name and get the original and genuine DR. CAREY'S MEDIC-YEEST TABLETS at such good druggists as Sayre & Hemphill.

WOMEN OF GERMANY SEEK HUSBANDS IN U. S. SAYS LETTER

More than 2,000,000 "young German ladies" deprived of the opportunity to find a husband, owing to the decrease of German manhood during the war are looking to the United States to find "conjugal happiness."

This much and more is made plain in a letter to the Gazette and the Republican, from one J. Stahl who gives his address as Duisburg, Germany, and who in substance says he has been approached by the marriageable women of that city to act as their interpreter in aiding them to find American husbands. Applicants are asked to address J. Stahl and to furnish references. The letter follows:

Duisburg, 28th, November, 1921.
J. Stahl
Duisburg, Germany.
Realschulstrasse 14.
Editor Gazette and Republican:
Dear Sir,

You will please excuse the liberty I take in addressing you in the following matter.

On account of the unhappy war, in which more than 1,500,000 young Germans lost their life, a still greater number of young German ladies are deprived of the opportunity to find a husband. This inconvenience is still increased by the fact that owing to the extraordinary dearth of household furniture and the scarcity of apartments the matrimony has become a luxury

DID PAIN DISTURB YOUR SLEEP?

THE pain and torture of rheumatism can be quickly relieved by an application of Sloan's Liniment. It brings warmth, ease and comfort and lets you sleep soundly.

Always have a bottle handy and apply when you feel the first twinge. It penetrates without rubbing.

It's splendid to take the pain out of tired, aching muscles, sprains and strains, stiff joints, and lame backs. For forty years pain's enemy. Ask your neighbor.

At all druggists—35c, 70c, \$1.40.

Sloan's
Liniment (Pain's enemy)

and a privilege of the rich in this country.

In view of these circumstances our young ladies are looking over to America in the hope of finding there the conjugal happiness, for which reason they appeal to all American bachelors who cannot find a match over there and who are desirous to contract matrimony with a well bred young German lady to approach them on this behalf.

The marriageable ladies of Duisburg have asked me to be their interpreter in assisting them to find an American husband, for which reason applicants are requested to apply to my above address. Please address your correspondence to my exact address (street and number). The linguistic difficulties should be no obstacle as our ladies are mostly acquainted with the English language. Good references are given and required. Applicants who wish to send me a one dollar bill in American money for the poor suffering German children are welcome to do so.

I should be under a great obligation to you for bringing this letter to the notice of the readers of your newspaper and tender you my anticipated thanks. Other newspapers are kindly requested to publish this letter.

Very faithfully yours,
J. Stahl.

SPENDS 450 MILLIONS

Washington, Dec. 13.—Treasury experts in a new compilation prepared for the secretary of the treasury, stated government expenditures for relief of world war veterans now average about \$450,000,000 a year.

That sum was estimated as the amount the treasury would spend for soldier relief in each of the fiscal years 1922 and 1923.

COUNTY AGENTS CONFER

For information, reservations, Gulf Coast Literature, etc., communicate with

F. D. BUSH, D. P. A., 615 Union Central Bldg., Cincinnati, Ohio.

Be A Paint Preservative Engineer

Own a Business that is New, Unlimited Permanent

THIS IS THE TYPE OF STORE OUR GRADUATES ARE OPENING

Earn \$3,000 First Year - \$5,000 or More After That

The Paint Preservative School of America has been definitely in course of formation for over three years—every source of information has been studied and every opportunity searched out. This course teaches the principles in manufacture, application and maintenance of surface preservation with paint or varnish. How to remedy and avoid paint troubles is taught. A thorough, practical, proven training in business management; salesmanship; getting, holding and increasing business; advertising, credit and collection is also taught.

Ours is not a school for dreamers. It is a big, serious proposition for men of vision who have saved enough to afford time to take the course without worry or fretting and take the territory they prefer and have money enough to get started right. Men who will invest \$3,000 to \$5,000 can make their entire principal back the first year and still own their original investment. You can own the business yourself—you are independent.

What and How We Teach

The course can be finished in four weeks—students may stay in each class until they are sure of instructions and make their grades. Previous experience in paint industry is not necessary. You can start the day you arrive. Open business as soon as you receive diploma—we guarantee good location, make you distributor for highest grade complete line, manufactured, help you in locating and in getting started. Your tuition pays for everything but living expenses; gives life membership with privileges after graduation to phone, wire, write or call for information any time, and privilege to return for post graduate work when and as often as desired.

Be First in Your County

We can secure exclusive sales privileges for only one in each county; the first applicant who takes the course, and qualifies, will be given the territory. There are hundreds of locations throughout the country and many have made application for some other county than that in which they live.

This is an opportunity for MEN OF ACTION, men who want to increase their earning power, men who want to enter this field of unlimited possibility. But the choice territory will go to the men who read carefully, see the future and then write, phone, wire or come to Toledo for details.

This is a business of quick turn-over and small overhead. Individual sales are large and personal effort counts for much. Big earnings may be made on very modest investments. Graduates start making money as soon as they open up. \$3,000 will easily earn over 100% in a year FOR OUR GRADUATES because of quick turn-over on modest profits, and this can be increased according to the energy devoted to the work. Graduates will have every painter and contractor in their territory boosting for them because they are continually digging up new business for them. In fact, this is the most fertile field now open. Paint Preservation must be done continually. The business is not seriously affected by off seasons and hard times. Commercial fields offer year 'round income—outside preservation is added in open weather; household preservation comes in the closed season. Preservation is better and cheaper than repair. Economy and pride are the salient selling points and every customer is satisfied, and a booster. The big money lies in selling surface preservation intelligently, but you must be trained.

Instruction covers a general knowledge of materials and manufacturing processes, together with application of everything for surface preservation, trouble; its remedy and how to avoid it; business practice; how to get and hold business. The instructors are SUCCESSFUL men in this business. You can have the entire factory and personnel of one of the best, most reliable and progressive companies for education and counsel. As reference, we refer you to the Second National Bank, Toledo, Ohio.

U. S. BIRTHRATE ADVANCES 1.4 P. C.

Washington, Dec. 12.—The American birth rate advanced 1.4 per cent in 1920 as compared with 1919, the census bureau announced Sunday.

The birth rate was 23.7 per cent

per 1000 population last year as compared 22.3 per cent in 1919 according to the bureau's figures.

The rate last year, however, was 1.3 per cent below the rate of 1916, which the bureau declared may be looked upon as a more normal year as it preceded the influenza epidemic and the entrance of the U. S.

into the war.

The highest birth rate for the white population last year was reported for North Carolina with 31.7 per cent and the lowest for California with 18.3 per cent.

The figures in all cases were based on the reports from the birth registration area which includes 23 states and the District of Columbia.

PUBLIC SALE

As I am moving to a smaller farm, I will offer my entire lot of stock and implements, at farm known as the Albert Hopping farm on the Federal pike, 7 miles east of Xenia and 2 miles south of Cedarville.

TERMS MADE KNOWN ON DAY OF SALE

O. V. PEELLE

GRIEVE & TAYLOR, Auctioneers.

RAYMOND RITENOUR, Clerk.

AMERICAN LEGION ELECTS JACOB COLP POST COMMANDER

Jacob Colp of this city, was elected Commander of Joseph P. Foody Post, No. 95, American Legion at the annual election of officers held at the Post Hall, Detroit and Second streets, Monday night.

Mr. Colp was chosen unanimously for the position of chief executive of the Post for the year 1922, and the voting was done by acclamation. He will succeed Dr. C. H. Denner, who has piloted the destinies of the Post as Commander for the past year.

William H. Gowdy was elected vice commander of the Post, also by acclamation, succeeding James Paulin; Carl Ervin was elected Post Adjutant by acclamation to succeed E. E. Fries and Fred Schultz, was re-elected Post Finance Officer, a position he has held ever since the Post was organized.

These new officers, with the six new members of the executive committee elected will compose the executive committee of the Post, which is the Post's chief governing body. The new executive committee members to serve with the officers are Charles Weber, Raymond Horen, Guy Toms, Harper Pendry, Dr. C. G. McPherson and Homer C. Spahr. The position of Post Chaplain, and the members of the various standing committees are appointive.

Action taken at the meeting, Monday night, resulted in the annual membership dues being raised from \$2 to \$3 the raise being made unanimously. The Post also took \$25 worth of Red Cross seals, which were sold among the more than 100 members present.

Commander-elect Colp spoke briefly after his election, in which he asked for the co-operation of members and committeemen during the coming year. Adjutant Ervin was also called upon for a few words, and Coach Jerry L. Katherman of the Central high school athletics, thanked the members for their support of the football team and urged a similar support of the basketball team.

C. L. Darlington, State Commander of the Legion and first commander of Foody Post, explained the plans being made to handle the payment of the bonds. He said that the funds would be distributed from each county seat, with a Legion man in charge of filling out the applications, who will be located either in the Post Hall or in an office. Commander Darlington said there would be no trouble selling the \$25,000,000 worth of bonds issued by the state as several applications have been made for the entire amount at 4-1/2 per cent.

The speaker said that in his travels over the state he had found no better club rooms or better attendance at meetings than at Foody Post. He anticipated an increase of 75,000 members during the coming year.

Mr. Darlington promised to consult with the committee of the Foody Post, which has been appointed to boost a plan for every Legionnaire in Ohio to give \$1 of his bonus to provide a fund for the erection of a gymnasium at the Ohio Soldiers' and Sailors' Orphan Home here. It was pointed out that the majority of children at the Home will soon be children of World War veterans, and there are at present no adequate gymnasium facilities. Commander Darlington said that the Legion is planning to give every child at the Home a Christmas present this year.

Before the meeting closed it was unanimously agreed to have a banquet or some other entertainment feature for the American Legion football team which played through an ex-

cellent schedule this fall, many of the members not being war veterans or members of the Legion. The plans for the affair were turned over to the entertainment committee to be carried out.

O. S. & S. O. TEAM WINS OVER DAYTON

The Mercer Athletic Club of Dayton gave the O. S. & S. O. Home Cadets a real battle before they succumbed to the score of 21 to 15 at the Armory Hall Saturday night.

The teams played evenly in the first half, the visitors having the advantage of one point when the period closed. The Cadets came back strong and crowded the Dayton five at every turn but had to hustle throughout to win, the result being a fast and rough game.

Reynolds of the visiting cage team was disqualified by Referee Schultz for personal fouls and the visitors finished the game with four players. The guarding was close; Jackson, Lewis and Brewster holding the visiting forwards to three field goals, while Sherman led the scoring procession for the locals.

SEARCH BOARDING HOUSE

Toronto, Dec. 13.—Officers searched the boarding house of John Szabol here six times without result. The seventh time they found two stills, 200 gallons of mash and a quantity of pickhandle under the front porch of the home. Szabol was fined \$400.

Efficient Housekeeping
By Laura A. Kirkman

ANSWERED LETTERS

C. S.: "I recently preserved some plums but did not have enough jars, so put them in glasses with paraffine papers over the tops. Now they are all mildew. Is there any way I can boil them over again so they can be used?"

Answer: No, they cannot be done over again. Just put it down to Experience, and next time follow the Cold Pack method more closely. We have all had our failures.

C. E.: "Kindly tell me what should be done to new hardwood floors?"

Answer: New hardwood floors require several operations before the final finish is complete. In such open-grained woods as oak, ash, chestnut, birch, the foundation for the final finish is obtained by "filling" with a good silex paste filler; this simply means applying some substance to fill up the pores of the wood so that the whole is one complete, smooth surface. A good silex filler has finely powdered, needle-like quartz particles which imbed themselves firmly in the wood. Any staining desired, other than the shade of the filler itself, should be done before this filler is put on—done with a good oil stain.

But, personally, I do not like the idea of staining a new hardwood floor. For, all wood floors tend to darken in time, and for this reason I think the rather light appearance of a new floor should be endured with patience. If, after a period of time, the tone of the floor still appears too light, it is easier to darken it slightly than to remove a dark, mussy stain which you had put on at first, and then decided you didn't like. Dark rugs may be relied on to give the proper "darkest note" which interior decorators declare a floor should have.

Assuming that the floor was sanded before the silex filler was applied, it is now necessary to sandpaper it again, but this time more lightly about 24 hours after applying the filler. Then apply a coat of good floor varnish, wait 48 hours, sandpaper it once more, lightly, and apply a second coat of varnish. You will now have a durable finish which is well worth the trouble you have put into it. If your new hardwood floors are close-grained, however, as is the

case with hard pine, you will require no filler before varnishing. In this case, simply sandpaper them, wait 48 hours, sandpaper them again lightly, and apply the final coat of spar varnish.

The above suggestions I consider the best to follow for new floors. If a waxed finish is preferred, however (it's a good deal more trouble), apply a thin coat of shellac over the filler on the open-grained woods, followed by one or two coats of wax on top of this. Some housewives heat the can of wax in a pan of boiling water to soften it before applying; it is then easily applied on a soft cloth, as it is practically in liquid form. Some women maintain that linseed oil and turpentine mixed in equal proportions then applied to the varnished floor, give the lustre they like best; when this is done, wipe over the spot where the mixture was applied almost at once with a dry cloth, then rub with still another dry cloth to polish.

Tomorrow—Two Good Home Suppers

TO SECURE AID

Defiance, Dec. 13.—Dr. Burt G. Chollett, Toledo, assisted by Dr. C. E. Huffard, Toledo, were in charge of a free clinic for crippled children conducted in the Masonic temple here under the auspices of the Rotary club. Parents and Rotarians took 125 replies to the clinic. Using the reports from the clinic as the basis for their activities, the Rotary club here will endeavor to secure proper remedial measures for all of the class.

Bellaire, Dec. 13.—Dominick Castellano, a miner, will lose his right foot which was crushed when an axle broke on an auto bus.

Children Who Need Cod Liver Oil Will Take Vinol

Because it contains no oil, but does contain all the medicinal elements which have made Cod Liver Oil famous, together with vegetable iron and other up-building ingredients especially favorable for children. Many children in this city have been restored to robust health by taking Vinol, and we ask any mother who has a delicate child to try it on our guarantee that it is perfectly harmless, and if it does not help the child the druggist will return the full purchase price.

For a hundred years the medicinal elements contained in the cod's liver and oil have been regarded as the safest and best strength and body building medicinal agents known.

Many people, however—especially children—cannot take cod liver oil because of the nauseating oil.

In Vinol they get all the medicinal value of cod liver oil and emulsions in a delicious tasting form and entirely free from oil—agreeable to the most delicate stomach—therefore it is better.

If you have a delicate child, give it Vinol. Knowing that it has helped so many other children, you owe it to the child.

A Wonderful Record by a Remarkable Company

Seven years of increasing sales—
Each year a record breaker.

Business increased 4000% in seven years; with
1921, the year of greatest business depression,
showing the biggest sales.

This, in brief, is an outline of the accomplishment of

The Giant Tire Company of Findlay, Ohio.

Capital Stock 30,000 Shares, no par value, comprising 15,000 Founder's Shares and 15,000 Class A Shares. No Bonds—No Preferred Stock.

The Giant Tire Co. manufactures rebuilt tires. It is the largest rebuilt tire company in the world. Its product is sold through established agents in the United States, Canada and South America.

The Giant Tire Co. conducts a strictly cash business—all sales are cash with order or C. O. D. No credit is extended and there are no losses from bad debts.

The Giant Tire Co.'s sales of \$48,000 in 1915 have grown to approximately \$2,000,000 in 1921. Its net earnings this year, after charging off \$100,000 depreciation on inventory, will approximate 16% on its entire capital stock.

In the event of liquidation, the Class "A" stock is a first lien on the entire assets of the company to the extent of \$25.00 per share. After the founder's shares receive same amount, then both classes share equally.

The Giant Tire Co. contemplates inaugurating dividends, beginning the first quarter in 1922, at the rate of \$2.00 per share per year or 10% on the present price of \$20 per share.

We offer for sale and recommend the purchase of

Class A Stock

Price \$20 per Share

CALUMET BAKING POWDER SAVES THREE WAYS

—A moderate priced Baking Powder of greatest merit. Honestly made. Honestly sold. Economical in every way. Every particle is full of actual leavening value. A full money's worth.

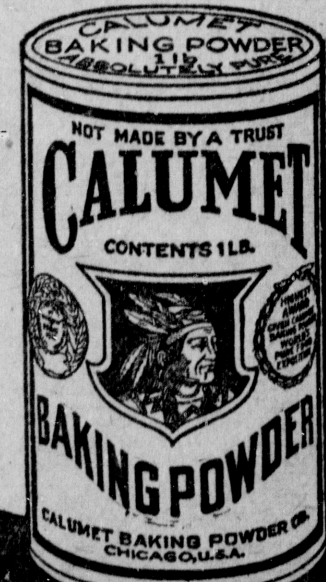

—You save time when you use it. Calumet is all baking powder. It begins to raise bakings the instant they are put into the oven. You don't have to keep "peeping" to see if bakings are all right. You know they are. Calumet is sure—never fails. That's economy. And true economy—in cost—in use—in time.

One trial will prove it and show you in results why millions of shrewd, thrifty housewives prefer Calumet to all other brands.

—The unfailing strength of Calumet guarantees perfect results. Not only saves flour—sugar, eggs, etc.—but saves Baking Powder. You use only a teaspoonful—you use two teaspoonfuls or more of many other brands.

Calumet contains only such ingredients as have been approved officially by the U. S. Food Authorities.

Highest Quality
Highest Awards

HAVE YOU NOTICED THIS?

A pound can of Calumet contains full 16 oz. Some baking powders come in 12 oz cans instead of 16 oz. cans. Be sure you get a pound when you want it.
